PROPOSAL FOR WILLOW PARK POOL INVESTIGATION & EVALUATION
Prepared By: Clarity Pools
Project: City of Ranger – Willow Park Pool Evaluation

The purpose of this proposal is to provide investigation, evaluation, and technical coordination services for the existing Willow Park municipal pool so the City of Ranger can make informed decisions regarding repair, renovation, or replacement.

This evaluation is intended to help identify potential structural concerns, subsurface risks, and long-term feasibility of the existing facility.

Scope of Services

Clarity Pools will provide the following services:

- Site visits and project evaluation
- Coordination with geotechnical and specialty consultants
- Review of testing data and engineering findings
- Technical analysis of repair versus replacement options
- Presentation of findings and recommendations to City representatives

Third-Party Investigation

Geotechnical testing and engineering analysis will be performed by third-party consultants and is expected to include:

- Soil borings
- Laboratory testing
- Subsurface evaluation
- Engineering report and recommendations

Total Estimated Project Budget: $18,875.00

Important Notes

The geotechnical investigation cost is based on the current third-party proposal and may be subject to adjustment if unforeseen site conditions or additional testing become necessary.

City Council should be aware of the following considerations:

- Site access must be sufficient for required testing equipment. Limited access may require alternate methods or additional mobilization.
- Existing underground utilities, abandoned plumbing, or unknown buried structures may affect testing locations or scope.
- Subsurface testing provides valuable sample data but cannot guarantee identification of every anomaly or hidden condition.
- Additional engineering review or expanded testing may be recommended if unexpected conditions are encountered during investigation.

This evaluation is intended to reduce uncertainty and improve decision-making; however, due to the age of the facility, some unknown conditions may remain until construction or demolition begins.

NEW COMPREHENSIVE
HEALTH SCREENING PROGRAM

COMPREHENSIVE HEALTH SCREENINGS ARE:

Convenient & Quick
- Our health and wellness team comes to you! Screenings may be available at work or other convenient locations.
- The screening only takes about 15 minutes
- If you can't attend the on-site event, an on-demand voucher option is available to visit a local lab.

Accurate & Confidential
- Your Circle Wellness Screening Team includes highly skilled nurses and other health professionals experienced in on-site wellness screenings
- Your Wellness Screening is completely confidential and complies with all HIPAA privacy laws.

Includes over 60 measures of your health
- 29 common blood screenings
- 10 other biometrics including blood pressure, body mass index, waist/hip ratio and related measures

Identify early warning signs of:
- Heart disease & stroke
- Diabetes
- Certain cancers
- Anemia
- Liver & gallbladder conditions
- Kidney disease
- Hypertension
- Infections
- Nutritional & gastrointestinal conditions
- Metabolic syndrome

Earn $150 by completing questionnaire, screening, and private consultation!

Grand Total Value: $7,008

TXHB Wellness is included at **No Additional Cost**

Lantern Program

- High Quality Network of Surgeons & Surgery Centers Nationwide
- Guided Support from a personal Care Advocate

Purpose

The City Commission of Ranger serves the community by planning for the future through the development of our infrastructure, ensuring a commitment to safety, engagement with our community to find solutions for the people we serve, making decisions that are financially prudent, and celebrating our rich history.

Community Overview

Economic Performance

Ranger, Texas is a small rural town in Eastland County that grew to fame as an oil boom town in the early 1900's supporting the country's war effort. The city's population grew from about 2,584 in 2000 to 2,737 in 2024.

Recent labor data (2024) shows the unemployment rate at 2.7% (45% lower than the national average). Employment structure has remained relatively stable, with accommodation, retail, and education as key sectors. Ranger's economy today is modest in scale but diversifying within its means.

The presence of Ranger College, a local two-year college and the community's second-largest employer, provides a stabilizing economic anchor and workforce training opportunities.

Our economic focus is to lay the groundwork for community revitalization and growth.

Economic Assets

The City of Ranger has excellent transportation advantages for a rural community and is located along Interstate Highway 20 and is home to the Texas and Pacific railroad. With approximately 7.2 square miles of property that is largely available for development by new businesses.

Retail and Services

Basic retail and service providers are successful. The town's full-service grocery store is operated by regional chain Brookshire Grocery Co., and is branded as a Spring Market. National chain dollar stores and gas stations have also fared well; Ranger hosts a Dollar General and a Love's Travel Stop, which benefit from both residents and Interstate 20 travelers. These businesses succeed by offering convenient essentials and by tapping into traffic along the I-20 corridor. The local Quarter Store (a non-profit organization) offers inexpensive household items that fund a local food bank.

Construction, Automotive, and Transportation Services

Construction and trades businesses throughout the county have had a solid presence – construction is actually one of the largest employment sectors (around 126 residents work

in construction-related jobs), reflecting demand for skilled trades in maintenance, remodeling, and oilfield work across the region. These include Hardwick LPG and DSC Environmental West Texas, as well as, many private contractors. Related businesses include Freddy's Garage & Wrecker, Chestnut Auto & Wrecker, Tew's Blue Collar Services, LLC, Texas Corvette Parts, Greenwood Auto Parts, V&J Service Center, and trucking services. Services are also provided to the city by Johnny B Welding and Construction, Roaring Ranger Roofing, and Ranger mini-splits.

Education and Healthcare

Anchored by Ranger College and the local Ranger Independent School District (RISD), educational services provide stable employment. Ranger College has not only sustained jobs but expanded programs (e.g., new vocational training) which attract students and funding.

The healthcare sector is small but vital – a Rural Health Clinic (Walnut Street Clinic) which is affiliated with Eastland Memorial Hospital and a nursing home (Ranger Care Center) continue to operate, offering essential services locally. These like many rural healthcare providers, have professional staffing job availability.

Lodging and Housing

The community has two motels, the Rodeway Inn and the Relax Inn. In addition to traditional residential homes the town has other housing options that includes the Housing Authority of the City of Ranger which operates Austin Acres, the Gholson Hotel is a HUD affordable Community, Hillside Village, and King Manor Apartments. Ranger also has several Airbnb's available for your stay. To assist with your Real Estate needs, the community has Ranger Realty, Brittani Boykin, Realtor, John Boyett, Real Estate Group, and Amiee Baker, Realtor.

Downtown Businesses

While much of the business success of the community is tied to interstate highway adjacent customers or regional industries. Businesses that are downtown (and along Loop 254) which include First Financial Bank, the US Post Office, Pam's Nails, convenience stores, storage facilities, Petunia Jane's, Cowboy Toffee, Best Fried Pies, additional restaurants, RV parks, towing services, and H&R feed store which serve important roles.

New Businesses

The Lone Ranger RV park with a café and a horse hotel is located on Loop 254 which serves as the eastern entrance to the town. A second RV park is currently being constructed along the I-20 corridor just inside the west entrance to the town. A new truck stop, that will be located off of the Blundell street exit, is currently in the acquisition phase. A self-service laundromat is currently being constructed to serve the community.

Tourism and History

Ranger is home to the Roaring Ranger Oil Boom Museum, the Ranger Antique Airfield, the Vietnam Memorial Park, century old historic buildings that includes St. Rita's Catholic Church, First Baptist Church, and the city hall is located in what was formerly one of the city's hospitals. Annual Events include Roaring Ranger Days the 3rd weekend in September, the Ranger Antique Airfield Airshow in October, the Green Acres Haunt in October, and the Lighted Christmas Parade the 1st Saturday in December. There is an effort to restore the historic Willow Park pool located on Main Street of the town. Nearby Lake Leon offers summer recreation for visitors to the area. Ranger is located near the Palo Pinto State Park which is among the newest in the State.

Truth in Taxation

The City of Ranger fully incorporates the Truth-in-taxation process that is identified in the Texas Constitution. The city provides information that allows the taxpayers awareness of tax rate proposals and to afford our taxpayers the opportunity to limit tax increases.

The City of Ranger uses the Strategic Plan to identify needs and then drafts a budget to meet those needs. Once a budget is adopted, the city then adopts a property tax rate to support that budget. This is a critical part of the City of Ranger's Commission duties.

No-New-Revenue Tax Rate

The no-new-revenue tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year, based on a tax rate that would produce the same amount of taxes if applied to the same properties taxed in both years.

3.5% Revenue Cap (Cities & Counties):

Most cities and counties cannot increase their property tax revenues from existing properties by more than 3.5% year-over-year. If they propose a tax rate that exceeds this cap, they are legally required to hold a mandatory rollback election.

City of Ranger Mission

The mission of the City of Ranger, the Commission, Staff, and Contractors is to work together in building a strong and safe community while fostering a healthy environment for its citizens.

City Council Priorities

Infrastructure

Continue to ensure an investment and maintenance throughout the city which includes capital projects and prepares for consistent growth in population and development.

- **Water.** Continue to complete grant application requirements for water line updates.
- **Wastewater.** Continue to complete grant application requirements for wastewater line updates. Continue to complete grant applications for a new wastewater treatment facility.
- **Public Facilities.** Invest in the city's physical assets to ensure that buildings are maintained and/or improved. Establish safety inspections for all city-owned properties.
- **Public Equipment.** Establish a fleet and equipment maintenance schedule, monitor mileage and fuel usage, and ensure that damaged equipment is repaired quickly to include immediate action on insurance claims.

Community Safety and Well-Being

Implement services that enhance health and well-being to improve overall quality of life for residents. The city plans ongoing investment in these core services.

- **Fire Protection and Mitigation.** Prioritize strategic partnerships within the county and fully implement Wildfire Mitigation Program goals to protect lives and infrastructure. Maintain and improve emergency response fleet.
- **Emergency Services.** Build on EMS capabilities and provide additional training opportunities for full-time staff and auxiliary members.
- **Law Enforcement.** Increase community presence and encourage non-traditional approaches to enforcement. Build trust through a community policing approach. Use modern data and technology upgrades to departmental operations.
- **Streets and Roads.** Establish increased funding for street maintenance with a focus on staff, materials, and equipment. Establish a formal plan of maintenance and repair for the city by sector.
- **Ordinance and Code Enforcement.** Actively enforce ordinances with a focus on dangerous and dilapidated buildings; removal of junk vehicles; active animal control program; and, address citizen reporting on property nuisance issues.

Economic Development, Community Identity, and Economic Mobility

We anticipate job and population growth as neighbors, businesses, and investment ventures capitalize on a small-town rural life style, inexpensive cost of living options, and the land resources for growth.

- **Economic Investment.** Create an environment where businesses and individuals have what they need to thrive. Attract and retain businesses and jobs. Support and develop small businesses.
- **Support for Education and Training.** Plan for growth in skills training and ensuring support of key community partners.
- **Community Investment.** Create an economic environment where all people have an opportunity to work and live self-reliantly within the community.
- **Parks, Library, Cemeteries, and Historical Sites.** Investment in these quality of life assets owned by the city. Establish a plan for management and regular maintenance of these properties with a focus on increasing community pride and providing recreational activities.
- **Tourism.** Foster a sense of community for all City residents, preserve the City's key historic and cultural assets, expand cultural programming, and take advantage of development opportunities that complement the City's unique heritage.

Transparency in Government and Organizational Excellence

- **Budget Development and Management.** Make data and need based decisions to provide efficient, effective, and high-quality services. Embrace strategic plans and managing spending by project within planning goals.
- **Communications.** Plan for improved strategic communications in relation to website management, formal media information sharing using local news options, social media, and support to special events. The town has moved IT programs to the cloud for security and redundancy.
- **Open Meetings.** Ensure compliance with Open Meetings Act for Commission and municipal boards. Oversee the public information process and ensure compliance with the Public Information Act.
- **Records Management.** Provide for efficient and effective management of all records of the City. This includes the use of Information Technology (IT) solutions to standardize information management and records retention among City departments.

Funds and Accounts Structure

The City of Ranger's accounts are organized based on funds and account groups, each of which is considered a separate accounting entity. The assets, liabilities, fund equities, revenues, and expenditures or expenses are accounted for individually, as appropriate.

General Fund

The primary operating fund for the city. It is used to account for all financial resources except those required to be accounted for in another fund (e.g., utility fund, grant funds, etc.).

Utility Fund

This fund is responsible for water, sewer, sanitation, and associated billing services for the city and supported communities (e.g., Morton Valley and Staff water). It is the goal of the city that the costs of providing services are recovered through user charges.

Grant Funds

The city uses these funds to assist with compliance of state and federal grants. These fund accounts are where grant funded costs are charged and where the reimbursement from the granting agency is deposited.

Budget Development and Accounting Process

For budgeting purposes, all funds are budgeted individually. At fiscal year end, you may find funds reported in aggregate in the annual financial report. The annual financial report includes all funds of the city, while the annual budget adoption may omit certain types of funds (e.g., capital funds and grand funds).

The 2026-2027 Budget Process began with budget workshop to outline responsibilities and needs as identified by elected leaders, staff, and the opportunity for community input. These workshops included individual department reviews with operational staff and municipal officers that discussed the overall strategy for the budget that did not include a quorum of the commission. Goals identified by those involved with the budget planning process included prioritization of need and finding cost savings.

The following were prioritized as part of the 2025-2026 Budget:

- Meeting infrastructure needs that included incorporating grant opportunities
- Enhancing public health and safety
- Establishing funding for capital investment
- Realization of near-term, slower growth of resources
- Avoid using fund reserves for operations

Staff worked to allocate limited resources, the inclusion or exclusion of various citywide expenditures, revenue opportunities, individual programs, and existing service levels towards these strategies.

Department and Section Program and Project Recommendations

Each Department and Section in the City of Ranger is identified within the city's annual budget. The City Manager, Finance Director, City Secretary, Department Heads, and Section leads provide input on program and project recommendations that are based on the goals of the City of Ranger Commission's Priorities as part of the internal budget workshops.

Budget and Tax Rate Meetings Timeline: Each meeting will require a quorum. The proposed schedule is as follows: (This schedule may be adjusted to meet the needs of the city.)

July 13:

- 5:30 pm: Pre-Budget Presentation for 26-27 FY

August 24:

- 4:00 pm: Budget Workshop for 26-27 FY
- 5:00 pm: Tax Workshop for 26-27 FY
- 5:30 pm: 1st reading of budget, tax, and fee schedule ordinances

September 14

- 4:30 pm: Budget Workshop for 26-27 FY
- 5:00 pm: Tax Workshop for 26-27 FY
- 5:30 pm: 2nd reading of budget, tax, and fee schedule ordinances

Budget Requirement Information

The budget includes an itemized comparison between the line item expenditures for the upcoming 2026-2027 fiscal year and the previous year. Estimated amounts are identified for each expenditure (or project).

The proposed budget is prepared by the City Manager and Finance Director and is filed with the City Secretary prior to the adoption of the property tax rate. The budget is adopted after the budget hearing but before the tax rate adoption. The supporting ordinance and the proposed budget is posted on the city's website. Notices are required to be published in the newspaper.

City Commission Authorization and Appropriation

The City Manager submits to the City Commission a recommended balanced budget for all city funds and activities for the upcoming year. The budget is adopted by the City Commission before the adoption of a tax levy and the start of the fiscal year.

The City Manager is responsible for always maintaining a balanced budget. If there is an excess of expenditures over revenues or appropriations, the City Manager will take necessary actions to rebalance the budget. Any mid-year budget amendments are approved by Mayor and Council action. Amendments may take place in response to material unforeseen needs or forecasted expenditures in excess of the approved budget.

The city conducts comprehensive forecasts of revenues and expenditures throughout the fiscal year. The City Manager will ensure that monthly profit and loss statements along with a summary of fund/account balances are provided to the City Commission. These forecasts are used to assist in budget development, budget monitoring, and performance management. Based on the results of these forecasts, the City Manager may recommend the necessary actions necessary to maintain a balanced budget in the current fiscal year or adjust recommendations in the subsequent budget.

Estimate no.: 5176
Estimate date: 05/15/2025
Expiration date: 06/15/2025

Project Name: Ranger WWTP LS Pump

#	Product or service	Description	Qty	Rate	Amount
1.	**Field Labor**	Field labor to demo out guide rails in the influent station at the WWTP. Reinstall new one piece guide rails so pumps can be pulled and installed. (confined space entry required) Install and startup new Sulzer pump for 5 year pro-rated warranty.	1	$10,275.00	$10,275.00
2.	**GX7L3K6C1111321**	XFP150E CB1.6 PE75/4 (460V, 3PH, 10HP, 49' OF CABLE) 2weeks	1	$9,650.00	$9,650.00
3.	**62665304**	Sulzer - XFP to Flygt Guide Rail System Adapter, Cast Iron, DN100 (4"), Rail Size: 2" x 2", Hardware Kit Included	1	$993.54	$993.54
4.	**Misc**	New SS Guide Rail 20ft Sticks x 6 New upper guide rail grommets and SS anchors for each guide rail assembly.	1	$3,456.00	$3,456.00
5.		Note: This quote is to replace the guide rails without draining and vacing out the lift station. Restrictions that hinder bypassing around the lift station make this option the only feasible way to complete this task. If GPS is unable to installnew guide rails due to condition of lift station, a new quote will be			

issued to set up bypassing around the lift station.

Total	**$24,374.54**
Expiry date	06/15/2025

Note to customer

Pricing does not include shipping unless explicitly stated. Terms are NET 15 unless otherwise negotiated.

Note: Unforeseen problems not listed in scope of work will be addressed at the time of project. Additional charges may be added if project goes beyond time frame or scope of work.

Accepted date **Accepted by**

CITY OF RANGER

1. R.V. that was moved onto 403 Cypress as a residence has been removed and the lot has been cleared. The Police Chief had made contact with them and then I had a follow up conversation. The people bought the lot and had planned to live long term in their R.V. I believe they sold the lot back to Mr. May.

2. I have been attempting to contact Mr. Martinez that owns the building that was blown down in the recent storm. I was unable to reach him by phone, so I sent him a letter with pictures.

3. I have a wildfire mitigation workshop that is scheduled on 07/23 from 4-7pm in Carbon where we will discuss future work dates for Carbon. We will also be covering updates from the Forestry Service and Langford that is managing the grant.

4. I have seven vehicles listed on Rene Bates Auctioneers online and that auction ends on the 16th.

5. I had a call from a gentleman from Ft. Worth that is looking at a property here in town for two potential businesses.

6. The GIS data has now been moved into IWORQ so that we can track our work and generate reports based on maintenance type and by date.

7. As we continue to work with the Texas Water Development Board it has been made clear that we are going to have to complete a water-rate study. I have reached out to the Texas Rural Water Association, and they have contacted the group that performs those studies. I was told it may take 2 weeks for them to contact us.

8. The lien for the work at 204 Little Street has been filed for a total of 1454.00. Wildfire mitigation covered the roll off boxes of which 19 tons of trash and debris were removed. The cost of the boxes was 2084.25 and I have submitted that for reimbursement.

For the record ☺ Our Summer Reading Program is set for July 13 -17, 11 AM – Noon, with an emphasis on "God Bless America: Celebrating our 250th Birthday!" Five local churches have stepped up to "Unearth a Story" each day and Freddy Wiesen paid for TEN of our new patriotic books – so of course that gave me the "FREEDOM" to order a couple of more! "Proud to Be An American" (Lee Greenwood) is expected July 5th.

More information and details are on our City Website – thank you, Mayor Butler!

Thank you, ALL! Diana McCullough ***Diana McCullough***

Glossary

Drivers Alerted
Total drivers alerted; based on HAAS Alert enabled applications.

Driver Speed Reduction
Average reduction in speed of the first vehicle receiving an alert from a stationary event / incident, where information is available. Excludes mobile navigation applications.

All Safety Cloud
Average across all Safety Cloud organizations.

My State
Average across all Organizations in your state. "-" indicates not enough data available in your state to provide a statistically significant percentage.

Similar Organizations
Average across all Organizations similar to yours (e.g., fire departments, towing operators, maintenance fleets).

R2R Alerts Sent
Total number of Responder-to-Responder Alerts sent to nearby emergency vehicles.

R2R Alerts Received
Total number of Responder-to-Responder Alerts received by your emergency vehicles.

Incident Totals
Total number of times at least one vehicle arrived on-scene with lights engaged for 2+ minutes.

Average Time On-Scene
Average time duration per incident.

Run Totals
Total times a vehicle was dispatched to an incident with lights engaged for at least 1+ minute.

Response Time Totals
Total time vehicles/apparatus spent traveling to dispatched calls with lights engaged.

Average Time-to-Scene
Average time it took for a dispatched vehicle to arrive on-scene.

Ranger Police Memorandum

To: Ranger City Council

Thru: Charlie Archer, City Manager

From: Charles E. Rodriguez, Chief of Police

Date: July 7, 2026

Subject: Monthly Police Department Report

Ranger City Council,

Happy Birthday America. The 250th anniversary of the United States' Independence Day celebrated on July 4, 2026, marks a historic milestone honoring two and a half centuries since the adoption of the Declaration of Independence in 1776. This semi-quincentennial is a time for Americans to reflect on the nation's journey, and celebrate its enduring ideals of liberty, democracy, individual freedom, and the entrepreneurial spirit that has helped shape the country's capitalist economy. Throughout its history, the United States has fostered innovation, free enterprise, and opportunity, enabling generations of individuals and businesses to contribute to economic growth and prosperity. Across the nation, communities commemorate this landmark occasion with patriotic ceremonies, parades, concerts, fireworks, educational programs, and cultural events that celebrate the country's rich history, diverse people, and shared aspirations. The USA's 250th Independence Day serves as both a celebration of the nation's past and an inspiration to continue building a future grounded in freedom, opportunity, and civic responsibility. Follow us on Facebook, Twitter, and Instagram for additional details.

During this reporting period, Ranger Police Officers responded to calls for service and carried out their duties with professionalism and diligence. A summary of departmental activity is provided below:

1. Calls for service - 354
    a. Emergency calls – 67
    b. Non-emergency – 287
2. Building Checks / Close Patrol - 473
3. Reports and Enforcement Activity:
    a. Crash Reports – 5, three are hit and runs.
    b. Case Reports – 32, which includes six warrants, six assaults (three Aggravative with Juveniles), three driving while intoxicated, three thefts, two animal cruelty, one evading arrest and possession of narcotics, one sexual assault, one traffic, found property, agency assist, suspicious activity, protective order violation, civil dispute, terroristic threat, damaged property, possession of marijuana, and obstruction/hinder arrest.
    c. Arrest – 19, which includes six active warrants, four assaults, three driving while intoxicated, one possession of marijuana less than two ounces, one evading arrest with a vehicle and possession of methamphetamine, one obstruction/hinder arrest, one possession of marijuana, one protective order violation, and one agency assist.
4. Traffic Enforcement - 84 Traffic Stops
    a. 61 Warnings Issued

b. 50 Moving Traffic Violations Cited

5. Code Enforcement:

   a. E. Loop 254, Rebecca Casey has set a hearing with the City Council for June 22, 2026. Located two people sleeping in an RV on the property and in formed owners that the RVs on the property cannot be used as a dwelling per city ordinance.

   b. 310 Elm Street: Abandoned/dilapidated structure and overgrown property in violation of Ordinance No. 2022-06-13-J. Letter with pictures was sent to property owner.

   c. 303 S. Austin Street: Abandoned/dilapidated structure, overgrown property in violation of Ordinance No. 2022-06-13-J, and accumulation of trash/junk in violation of Ordinance No. 2022-07-11-K. Letter with pictures was sent to property owner.

   d. 309 Elm Street: Abandoned/dilapidated structure, overgrown property in violation of Ordinance No. 2022-06-13-J, and accumulation of trash/junk in violation of Ordinance No. 2022-07-11-K. Letter with pictures was sent to property owner.

   e. 317 Elm Street: Abandoned/dilapidated structure, overgrown property in violation of Ordinance No. 2022-06-13-J, and accumulation of trash/junk in violation of Ordinance No. 2022-07-11-K. Letter with pictures was sent to property owner.

   f. 619 S. Oak Street: Abandoned/dilapidated structure, overgrown property in violation of Ordinance No. 2022-06-13-J, and accumulation of trash/junk in violation of Ordinance No. 2022-07-11-K. Letter with pictures was sent to property owner.

   g. 1109 Desdemona Blvd: Accumulation of trash/junk in violation of Ordinance No. 2022-07-11-K, and multiple abandoned/junk vehicles in violation of Ordinance No. 2023-09-25-D. Letter with pictures was sent to property owner.

   h. Received a citizen's complaint for 709 Blundell St. Made contact with the homeowner and informed them of the tall grass, and nuisance issues. Owner stated his lawn mower burned up and is cutting the yard with a weed eater. He stated they will resolve the grass issue.

   i. Received a citizen's complaint for 704 N. Marston St. Made contact with the tenants and informed them of the trash issue. Tenant stated they will resolve the trash issue by 6 July 2026.

   j. Officers have entered over one hundred and twenty locations where street signs, traffic control signs (i.e. speed limits, stop, yield, etc.) are missing. Officers will also enter data where street lights are recommended.

6. Administration and Department Operations:

   a. Continued coordination with eForce to establish a citation interface with InCode. A mapping of the offense codes between the court system and eForce is in progress.

   b. Texas Commission on Law Enforcement (TCOLE) has implemented the OpenText Records Repository (OTRR). All documents will be uploaded to OTRR when an officer departs our agency.

   c. The department has been informed that 2027 models are available for order; funding was approved in the FY 2025–2026 budget. We are continuing to determine the benefit to an Equity Lease for patrol vehicle vs purchasing.

   d. Ongoing comprehensive inventory of the evidence room; we missed our self-imposed completion date, but we have made significant changes to the room.

The Ranger Police Department remains committed to serving our community with integrity, accountability, and professionalism. Please let me know if you need any additional information.

ANIMAL CONTROL DIVISION

To: Ranger City Council

Thru: Charlie Archer, City Manager
Charles E. Rodriguez, Chief of Police

From: Carrie Pilant, Animal Control Officer

Date: July 1, 2026

Subject: Monthly Animal Control Division Report

Ranger City Council,

1. Field Statistics and activity:
    a. Total Calls for Service: 50
        i. Emergency Calls (Aggressive Animals/Bites/Cruelty):3
        ii. Non-Emergency Calls (Stray/Nuisance/At Large): 47
2. Citations & Warnings Issued:
    a. Citations: N/A
    b. Warnings: N/A
3. Cruelty/Neglect Investigations: 2
4. Shelter Intake and Outcomes:
    a. 8 animals currently in Shelter custody
    b. 1 cat, 3 neonatal puppies 1 dog we are boarding, 2 dogs held as evidence in a cruelty case and 1 puppy brought in as a stray
    c. We had 3 adoptions last month and 4 transfers
    d. Zero animals were humanely euthanized.
5. Veterinary & Medical Care:
    a. We had one serious case of neglect on a 10-year-old dog named Hank who needed significant vet care. He made a full recovery in my home until he was ready for adoption then was transferred to Dallas Pets Alive where he has a better chance of being adopted quicker.
    b. We had 3 puppies come into our care that contracted the parvo virus before we received them, Lazy 3 treated them with minimal cost to us, all puppies made a full recovery 1 puppy was adopted and the other 2 were transferred to Dallas Pets Alive.

Charles (Charlie) Rodriguez
Chief of Police

ANIMAL CONTROL DIVISION

6. Community Engagement & Outreach:
    a. Foster Care Program: 4 dogs are currently in foster care.
    b. Community Events/Education:
    c. **Cause for Paws** was a great success, with an excellent turnout from both attendees and vendors. The event provided valuable insights into what worked well and identified areas for improvement as we begin planning for next year. One of the most encouraging outcomes was the overwhelmingly positive feedback from our vendors. Many have already expressed their interest in returning for next year's event. Additionally, we received vendor lists from several neighboring communities. Although those lists arrived too late to extend invitations for this year's event, they have significantly expanded our outreach opportunities. We now have a database of approximately 230 vendors to invite for next year's Cause for Paws, positioning us for an even larger and more successful event.
    d. I have been asked by the manager if I can come and do an educational presentation to the citizens at the Gholson about animal welfare and offer some resources to them. That has yet to be scheduled
    e. I was also invited by the Superintendent of Ranger ISD to be a part of the Meet the Teacher/Bulldogs on August 18th.
    f. We are now offering Microchipping which is $25
    g. I am still planning on holding a vaccine clinic. Now that cause for paws is complete, I will have more time to research how we can do this. I feel this has been a great benefit to the community each time we have done it. I will reach out to Lazy 3 to see if they would be willing to help or offer assistance.
7. Shelter Improvements:
    a. September is fast approaching and we anticipate the inspection from the state to happen in the beginning of September. We desperately need a plan for repairs so we can pass inspection and continue operating.

Carrie Pilant
Animal Control Officer

City Of Ranger

Public Works Director Report

June 2026

Water:

- **Total gallons of water bought June 2024: 14,457,000**
- **Total gallons of water bought June 2025: 12,646,000**
- **Total gallons from ECWSD-13,784,000**
- **Avg. Gal A Day**-459,000
- **Max**-600,000
- **Min**-327,000
  - Approximately 138,400 gallons flushing.
  - Approximately 16,000 gallons in water leaks.
  - **June 1st, 2026,** found water leak on old 6-inch main. Intersection of West Main St. and Homer St. Approximately 1,000 gallons of water were lost.
  - **June 2nd, 2026,** water leak on 2-inch by 401 Strawn Road. Approximately 15,000 gallons of water were lost.
  - **June 9th, 2026,** replaced 80-foot of 2-inch water main on South Commerce Street. Approximately ? gallons of water were lost.

Wastewater:

- Approximately 1 sewer backups.
- Approximately 3,000 gallons of water were used for Jetter.
- **June 15th, 2026,** Global Pump Solutions came to sewer plant and checked electrical work. They decided that we start by changing the gear box on aeriation bridge.

- **June 15th, 2026,** JB with Battle Horse Electric came out and installed overload for aeration bridge.
- **June 18th, 2026,** Global Pump Solutions came out and installed 2nd and 3rd pump/motors for effluent side. They checked rotation and will be back Wednesday to install oilers and put them in service.
- **June 22nd, 2026,** Global Pump Solutions came out, tested, and put two new pumps in service.
- **June 23rd, 2026,** Kevin with Super tech Automation came out and fixed relays so all effluent pumps would properly rotate in service.
- **June 24th, 2026,** Global Pump Solutions came out and pulled pump #3 to see why it was not properly pumping. All pumps are properly working and in rotating service.

Streets:

- **June 3rd, 2026,** filled in hole on Pecan Street.
- **June 3rd, 2026,** picked up dirt pile at the park contractors left behind.
- **June 4th, 2026,** bladed and worked on Philadelphia and Vivian Streets.
- **June 10th, 11th, 12th, & 15th,** cleaned up at city dump.
- **June 16th, 2026,** started putting in culverts on westside of North Tiffin Street.
- **June 25th & 26th, 2026,** worked on culverts down North Tiffin Street.

Total Work Orders 219

If you have any questions about your local sales tax allocation payment, please contact us by email at ***TaxAllocation@cpa.texas.gov***, or call us at 800-531-5441, ext. 3-4530, or 512-463-4530.

2193 - Ranger, City of (General Obligation Debt)

Report - Ranger, City of (General Obligation Debt) / Sales Tax Data

The charts below contain sales tax revenue allocated each month by the Texas State Comptroller. Please contact and search the Texas Comptroller's website if you notice an incorrect amount.

For example, the February allocations reflect December sales, collected in January and allocated in February.

*Excludes any sales tax retained by the municipality and not remitted to the Comptroller.

Any agencies looking for a used vehicle?

2021
Chevrolet
Tahoe
76k miles
Whelen lights
Motorola radio
No check engine light
Dual stalker radar
Want 30k for it
Can provide more pics if needed.

Call or Text me at 254-654-2519
Chief Gauna

This looks like a great deal and would help us. Thoughts.
